### HER PUSSY IS A WORK OF ART

Dear Melinda: If you ever find yourself lonely and horny while your parents are away on vacation, give me a call! I've got a huge cock that would get that sweet tight pussy off in a matter of seconds! By the way, your pussy is an absolute work of art! Every fold and crease is perfect and I would love to slurp, suck and finger that thing every single night!

—William from Chicago

### DEEP ANAL MASSAGE TECHNIQUES

Dear Karlie: I get massages too and I was wondering if you've ever considered a deep anal massage? It's real easy; you just lay down and I slide my tongue up and down your crack, getting it all nice and lubed up. Then I take two of my fingers and slide them into your butthole and get you all slicked up and ready. After a few minutes of my finger insertion, you might ask to suck me off and I'll oblige. Immediately following that, I will stuff my cock deep inside your asshole and pump away until we both cum! Thoughts?

—Timothy B. in Dallas, TX

### BIRTHDAY PARTY BANGFEST

Dear Zarina, Marta and Just 18: Happy birthday to you Zarina! I saw that you definitely celebrated as hard as you could! Your friend Marta is probably the nicest pal you could ever have! Letting you suck her man's cock and take is so fuck-

ing deep is a gift that I would love for my wife to let me give. I'd eat you two babes out like it was going out of style (I'd even eat both of your asses, too!) and go from slit to slit with my raging boner. And when it's time to cum, I'd spew it both of your freshly fucked mounds and let you lick it off each other! Deal?

—Rob from Nashville

## A NATION OF STRAIGHT A STUDENTS

Dear *Just 18*: Last month's issue featured Meddie getting a thorough boning from her boyfriend for passing a class. This is a great idea. If you switch it around a little, if you had guys getting laid based on grades, we could have an entire nation of doctors, engineers and CEOs! You get me? If I were to get pussy for every A I got in school, dude; I would be a fucking straight A student every year! I'd most certainly go to grad school, too! Think about it! —David from Miami

## TRUTH OR DARE DOUBLE STUFFINGS

Dear Kani and *Just 18*: Girls these days seem so much more open to experimenting with their holes than ever before. Kani's been fucking her asshole and pussy at the same time on a dare! Back in my day, you'd have to marry girl before you could even see her pussy. If I dared m wife to take it up the ass while I fingerfucked her puss, she would have probably served me with divorce papers. Anyways, I wish I were 20 years younger so I could stuff my meat in these wide-open cock hungry sluts! —Gerald from Milwaukee

## BEACH BABE BONINGS

Dear *Just 18*: Seeing sweet little Lola's spread was a real treat. As an ex-nudist and nude beachgoer, Lola reminded me of my heyday. I used to pull girls into the tall beach grass and eat them out until they begged me to finish them off with my 11-inch cock. I'd plow inside them, deeper and deeper, until I spewed my jizm across their hot beach bods. Sometimes I'd have to blow it inside of them so none of the square-ass park rangers would see what we'd been doing. But sooner or later, the jizz would always leak out. Busted, right? —Thanks for the memories, Lola!

# Bridgette Skies

**B**eautiful Bridgette is a bit of a neat freak. She always makes her bed in the morning, never leaves dirty dishes in the sink and her fridge is always spotless. Nothing frustrates her more than those hard to reach nooks and crannies that lie just beyond the reach of her dust rag. After she finished her chores she grabbed one of her toys, slipped it into her slit and started pounding away. After working herself into quite a frenzy, she gave herself a quite an orgasm. Now her quim was as clean as a whistle, too! Attention to detail, and a tight wet satisfied pussy, is what Bridgette is all about!

# ERICA & NICK

34175

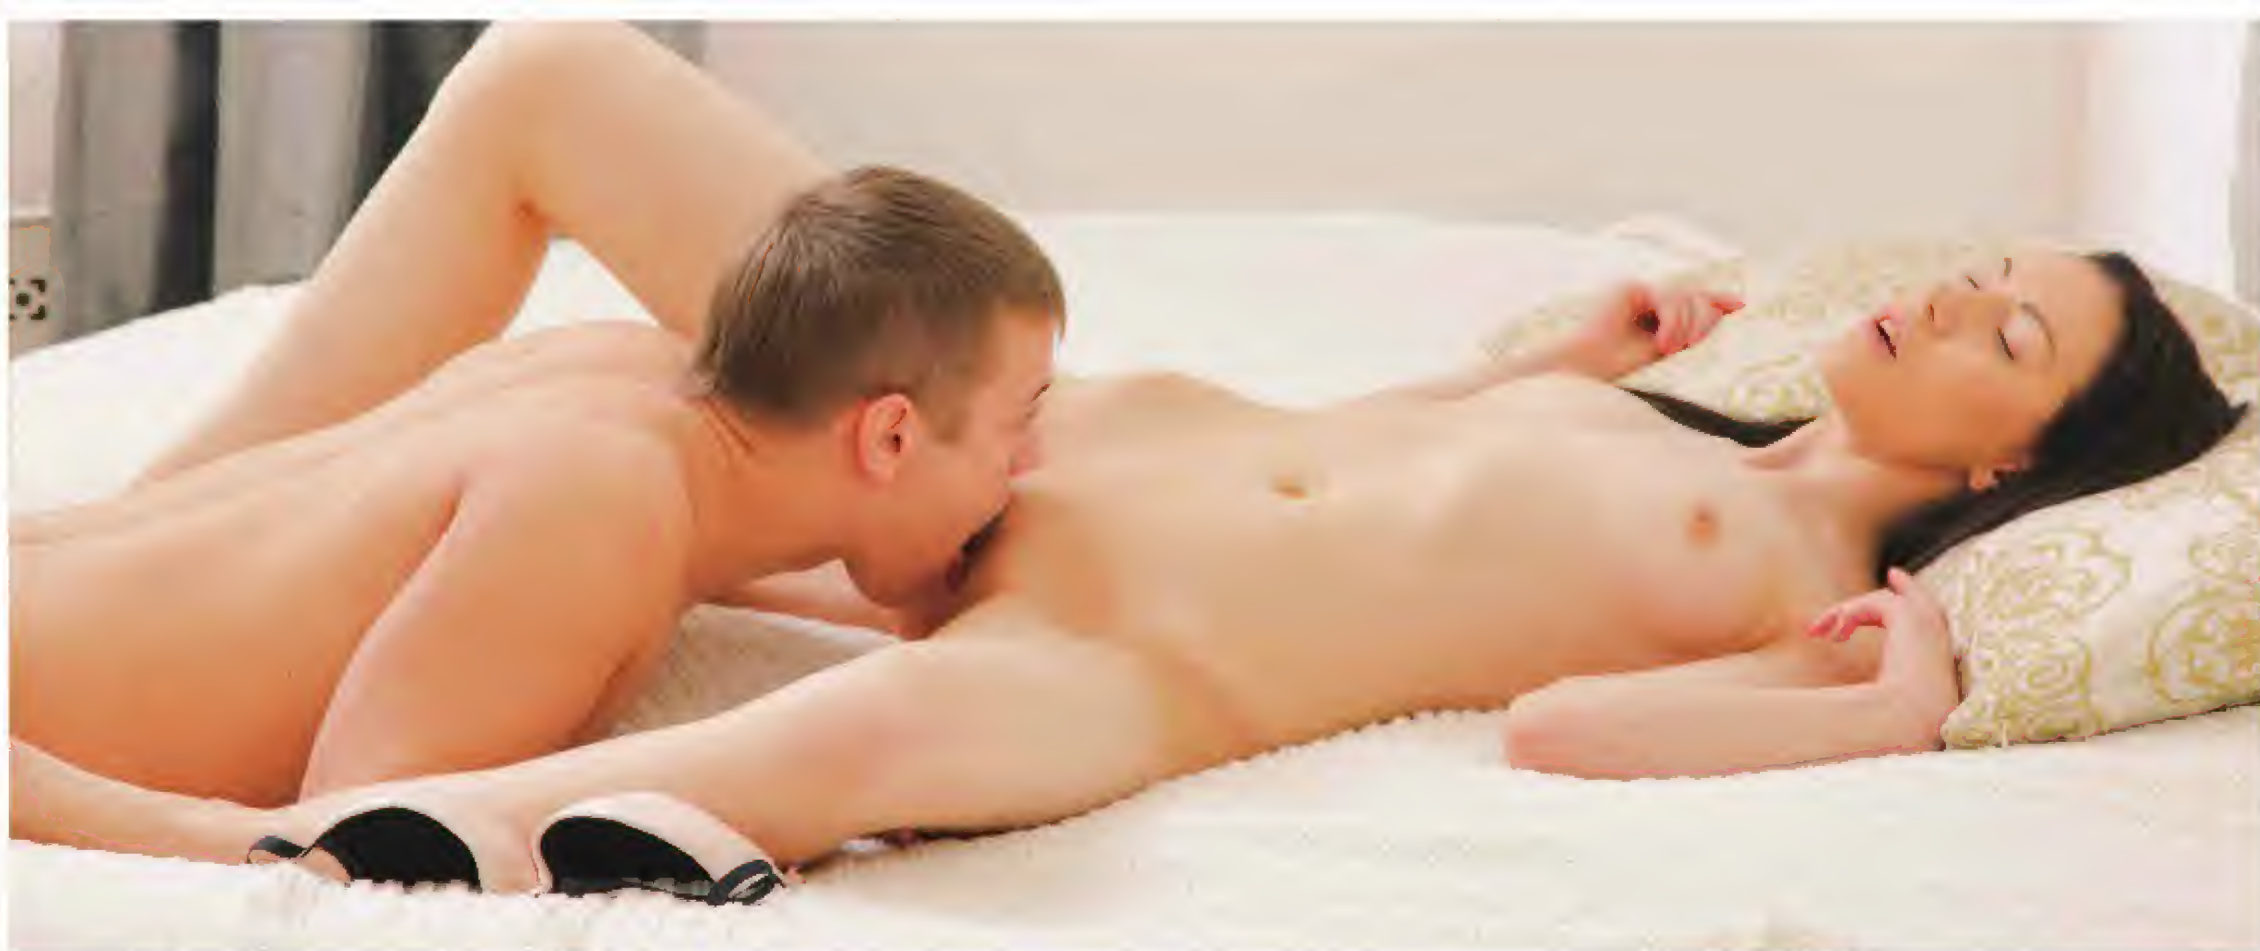

**W**hen Erica first met Nick, she immediately made up her mind to wow him. She decided to do so by being pulling out all the stops in the sack, a trick she was sure would keep him cumming back for more. She puckered up and puffed away on his goo pipe until it was thick, hard and coated with her spit. Then she hopped up to straddle his baloney pony and slipped in just the tip before she sat down sung upon his thick stump. That mighty meat stick of his slid smoothly inside until it was balls deep in her beave, and later in her asshole, and she moaned while she clenched her cunny muscles tight and bucked herself up and down. Then she flipped over to ride that ramrod in reverse and Nick whispered filthy things in her ear. As he pulled out to plaster the outside of her pussy with pleasure, Erica thought to herself "score!" **18**

## “SHOW ME THE SERPENT!”

by Ginny Bunkborg

I had messed up my mid-terms, and took a long walk around town to get my mind off it. I didn't want to talk to anyone, not my chatty girlfriends especially; I just wanted to go in a cheap Chinese restaurant and have some cold sesame noodles and an egg roll. I was angry with myself because instead of studying I'd been too busy going to concerts and drinking beer and enjoying all the cool stuff of the city around my school.

I was walking down the big avenue, not far from campus, and I saw the bright neon lights of the local hipster DVD store. It was one of the cooler places near school, and now there was a sign that it was going out of business and everything was 50% off. I went to check it out.

The nerdy guy behind the counter had given me the eye every time I came there to browse in the DVDs and retro vinyl. This time he gave me his usual wimpy hopeful smile and for some reason I didn't feel so mean toward him. Maybe I was feeling sorry for myself and needed a “thumbs up” from someone no matter how I got it.

“Why you going out of business?” I asked Nerdingham, my pet name for him, wondering if I had enough cash in my purse in case I found something I wanted to buy. I didn't want to charge anything and get my father going ballistic about me buying something “useless” (his favorite word) like a video when he saw the bill.

“People just aren't buying the DVDs enough anymore. Can't compete with the Internet. And the landlord raised the rent.” Nerdingham shook his head. “Our boss says it's time to close.”

“Well, maybe I'll get something,” I said, wandering over to the horror movie section. I found a crazy flick about a monster that terrorized a summer camp for nurses in rehab. It looked like the stupidest movie on the shelves, and since I was feeling really stupid for having messed up my mid-terms, I thought it was just my speed.

“Why do you wanna buy this?” said Nerdingham at the

counter. "It's not worth it even with a discount."

"Maybe I'm looking for something to insult my intelligence?" I said.

He shook his head. "Why don't you get one of the cool original Godzillas from the 50s or 60s? We have them over there."

"Okay, you pick one out."

Nerdingham looked so happy to do something for me. I felt a smile grow on my face as he hurried over to the shelves. And then my nipples got hard in my blouse. Did I actually want to hook up with this guy? He was nothing special to look at.

"Here, try Ghidrah. The Three-Headed Monster. You get Godzilla, Rodan, Mothra, and Ghidrah duking it out."

"Okay," I said, fishing in my purse for some cash.

"It's on me," said Nerdingham. "A gift for one of my favorite customers."

"How sweet," I said. He looked a little hurt at my tone so I quickly added, "No really, I'm serious. That's sweet."

"You looked sad when you came in here."

"This place looks a little sad," I said, "with no customers!"

"It's almost closing time. We had more earlier. And what are you doing walking around so late?"

"I wanted some cold sesame noodles. You wanna get some with me?"

Now it was Nerdingham's turn to smile. "If you can wait fifteen minutes until I close up, sure!"

I guess I was on automatic pilot. That happens to me sometimes when I suffer a blow to my ego, like messing up mid-terms. It was a shock to my eighteen year old system. I had been top of my senior class in high school, but college was turning out to be a different story.

So I was going to eat with Nerdingham. I had a distinct feeling it would lead to my sucking his cock. That's the way things progress in my life. Food, cocksucking. Maybe with a discussion of a video in-between.

Nerdingham told me his real name when we went to the Chinese place, but I couldn't quite remember it. The noodles were delicious. We drank a lot of tea, too. While we drank it I learned he was a graduate student at my school, taking advanced Godzilla studies. No wonder I hadn't run into him there. The film building was on the other side of the campus.

I figured getting fucked by anybody who was halfway presentable would make me feel better and help me forget my mid-terms for a little

while. I didn't wait for Nerdingham to try to seduce me, that wasn't in his line. Instead I was the one who suggested I come over to his place where we could watch the Godzilla movie and he could introduce me to his pet lizard. He stared at me and then it dawned on him that I was referring to the snake in his pants. "You do have a trouser serpent, don't you?"

"I never heard anybody refer to it that way," he said, as he carefully paid the check for all our food. I didn't protest, since I didn't have any money left after buying the Godzilla disc.

I walked three blocks to his apartment. He shared it with two other grad students. They were both asleep, though, and since the tv was in the living room in the middle of the apartment, it was too late to watch Japanese monsters destroying things loudly. I suggested Nerdingham take me into his bedroom and entertain me with his personal serpent.

He laughed. "I never realized you had such a weird sense of humor," he said, as I held out my hand and led him into his own bedroom (it wasn't hard to figure out which one it was).

"I always get symptoms of humor around mid-terms," I said.

We lay on the bed and started kissing, but Nerdingham said he was nervous when I started to unbuckle his pants. "I'm never ready to do the deed right away."

"Do the deed?" I said. I pulled off my blouse and unbuckled my own pants. If he didn't want to fuck yet, I'd give him a show. I rubbed my nipples, wet my fingers with my tongue and began rubbing my pussy through my cotton underpants. He stared and licked his lips.

"Show me the serpent," I said.

"I will, but I can't promise any destruction."

I laughed. "Now look who's making cracks."

He laughed happily. "Maybe we'll break a record in my life. I've never fucked a girl right away before. Maybe tonight I will." He took out his dick and it was semi-hard. It did look kind of lizard-ish, or serpent-ish. I ran my hand over it, tugging, then cupped his balls. Then I knelt on the bed, still in just my underpants, and took him in my mouth. For a guy who said he was nervous, he was doing okay. I pulled him into a more comfortable position on the bed (did I have to do everything for Nerdingham? I sure did) and licked my tongue on his cock. He got pre-cummy pretty fast, and I kept going. "You have an effect on me," he said, falling back on the pillows. "A rare effect." Suddenly, he shot off in my mouth!

I didn't feel like swallowing, my generosity only going so far when I'm depressed. So I let the cum dribble out of my mouth until I had a little creamy curtain hanging from my chin. Nerdingham looked kind of horrified, and reached for a piece of Kleenex. "That's not very ladylike," he said.

"If it's a lady you're looking for, you went to the wrong aisle," I said.

"Let's cuddle," said Nerdingham.

I crawled up into his arms. Actually they felt pretty good.

I had been pretty horny coming into the apartment but now I felt a little different. Maybe I didn't need his boner in my pussy tonight. Nerdingham pulled the covers over us, and in about five minutes I fell asleep.

When we awoke the room was full of light. It was nine thirty in the morning. I knew I'd missed my first class, but when I felt Nerdingham's erection, I was consoled. He smiled and said, "That was the best night's sleep I've gotten in awhile. Let me show you how grateful I am." And he slid under the covers, taking his serpent out of my hand so that he could put his face in my pussy. I felt his fingers part my thighs and then his tongue licked my slit slow and nice. I gripped the sheets the more he licked me, and then I held onto his hair. I couldn't believe it, but he made me cum faster than any other guy I'd ever been with.

"Why, Mr.—" I almost called him "Nerdingham," but I bit my tongue. Instead I said, "Why Mr. Tongue Expert, you have some hidden talents!"

"And some not-so-hidden ones." He crawled on top of me and put his cock into my asshole. I lifted up my feet and wrapped my legs around his butt. He went deep inside me and began moving back and forth. I linked my feet at the ankles. The more he fucked me, the better it got. I could hear the squish between my lips as he moved faster and faster. I liked the feeling of being covered by his body and laying under the sheets too. The room was full of the morning light. I looked up at him and he looked a lot cuter than I ever realized. Suddenly I started to cum. Loud. I pulled him tighter to me and grabbed his ass, stopping his motion. I didn't need any more fucking. I could feel him throbbing in my cunt. Was he cumming too? No, I could tell he wasn't. He was holding on.

"Satisfied with my serpent?" he said, smiling.

"Yes."

"That's music to my ears." And with a funny little smile, he slid his cock out of my asshole and shot his load straight up along my thigh toward my right hip.

"You monster," I said, laughing. Suddenly I couldn't think of him as "Nerdingham" anymore. From then on, I'd call him by his real name. But first I'd have to ask him again what it was!

# SUNNY, MICK & FRANK

**A**mongst her friends, Sunny is known for never being able to get enough as far as guys go. Date one at a time? Hell, she can't even be bothered to bang one at a time, not getting naked for anything less than two schlongs straining to service her. To her credit, Sunny is that very special sort of broad who is more than capable of keeping two horny studs happy simultaneously. That's because she has a no hole off limits policy when it cums to porking. She'll take Mick in the mouth and Frank in her box, then switch things around so Frank gets a BJ while Mick pounds her muffin, then make Mick settle for

more oral so Frank has room to have a go at her butt. For the grand finale, our femme fatale of fucking has them both pop on her pretty face, while she diddles her own skiddle down below. Make sense? **18**

**I** have to admit that my boyfriend is a serious asshole. He drinks a ton, he doesn't get along with anyone, and if you ask him to do anything, he just rolls his eyes. The one thing he's good at, though, is fucking the living shit out of me! The first time we did it, it lasted like, 45 minutes, and he ate my slit and asshole, fingered me 'til I came twice, and then proceeded to pop my cherry—pussy and ass!—while only dropping one load himself! Last week, he gave me the anal fucking of a lifetime and spewed the creamiest load into my asshole! Even though I can't stand him most of the time, I can sure stand his cock!

**I**t's always good to try something new and virginal Amy's finally ready to try fucking! Of course, her boyfriend was way more than ready to help her bust her cherry. He promised he wouldn't go any further than she wanted and if she wanted to stop at "just the tip" they could. Naturally, "the tip" always gets the rest of the cock and invite into pussytown, so before Amy knew it, she had a popped cherry and a mouthful of cum! Congrats, Amy! Next stop: anal!

# ABBY & INNA

**C**ock is lame. At least, that's what these two labe licking lesbos think. And, to a point, they're right. Who needs to see a dick in any of these pages? Isn't it way better to see Abby's tongue stuck up Inna's cunt without a set of balls anywhere to be seen? And having Inna's wide-open asshole all lubed up and licked lovingly by her BFF is all we need to drop a batch! These girls are right about everything. Don't you agree?
